**TALAAAT MOSTAFA GROUP HOLDING COMPANY  
"TMG HOLDING"  
(S.A.E)  
CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE PERIOD FROM 1 JANUARY 2015 TO 30 JUNE 2015  
TOGETHER WITH REVIEW REPORT**

Translation of Review Report  
originally issued in Arabic

**REPORT ON REVIEW OF INTERIM CONSOLIDATED FINANCIAL STATEMENTS  
TO THE BOARD OF DIRECTORS OF TALAAT MOSTAFA GROUP HOLDING  
COMPANY "TMG HOLDING" (S.A.E)**

**Introduction**

We have reviewed the accompanying interim consolidated balance sheet of **Talaat Mostafa Group Holding Company "TMG Holding" (S.A.E)** as at 30 June 2015 and the related statements of consolidated income, consolidated changes in equity and consolidated cash flows for the six months ended in that date, and summary of the main accounting policies and other explanatory notes. Management is responsible for the preparation and presentation of these interim consolidated financial statements in accordance with the Egyptian accounting standards, our responsibility is to express a conclusion on these interim consolidated financial statements based on our review.

**Scope of review**

We conducted our review in accordance with the Egyptian Standard on review engagement no. (2410) "Review of interim financial information performed by the independent Auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Egyptian standards on auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Consequently; we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that accompanying interim consolidated financial statements are not prepared, in all material respects for the financial position of the company as at 30 June 2015, and its financial performance and cash flows for the six months ended in that date in accordance with Egyptian accounting standards.

Without Qualifying our Opinion, a new primary contract was signed between Arab Company for Projects and Urban Development – subsidiary Company - and The New Urban Communities Authority on 8 November 2010 relating to Madinaty project and the in kind amount should not be less than LE 9.979 Billion, based on that, the value of the land of Madinaty project will be reconsidered upon signing the final contract of the land (note 13).

Cairo: 12 August 2015

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

**Property, plant and equipment**

Property, plant and equipment is stated at cost less accumulated depreciation and any impairment in value, Depreciation is calculated on a straight line basis over the estimated useful lives of the assets as follows:

	Years
Buildings & constructions	20 - 80
Motor Vehicles	5
Tools & equipments	3 - 8
Furniture and other assets	5- 10
Computers	3 - 8
Marina Equipments	2 - 10

Projects under construction are depreciated when it is ready for use in the place and the condition of operating, then to be reclassified to the fixed assets category,

Other subsequent expenditure is capitalised only when it increases future economic benefits of the related item of property, plant and equipment, all other expenditure is recognised in the consolidated income statement as the expense is incurred.

**Project under construction:**

Projects under construction represent the amounts that are paid for the purpose of constructing or purchasing fixed assets until it is ready to be used in the operation, upon which it is transferred to fixed assets. Projects under construction are valued at cost.

**Investment Property**

Investment properties are the real estate's (Buildings, Lands or both) that are kept for renting or increase in its value; they are measured initially at cost, including transaction costs.

Subsequent to initial recognition, investment properties are stated at fair value, which reflects market conditions at the balance sheet date, Gains or losses arising from changes in the fair values of investment properties are included in the income statement in the year in which they arise.

**Investments**

**Investments in associates**

Investments in associates are accounted for using the Equity method except for when investment are classified as available for sale according to the Egyptian accounting standards No, 32 None current assets held for sale and discontinued operations, these associates companies are those companies which the company has a major influence and which are not subsidiaries or joint venture, Investments in associates are recorded in the Balance sheet with cost.

in addition to company share of any changes in the net assets of associates company after deducting any impairment losses, the company's consolidated income statement reflect its share in the result of associates companies.

**Available-for-sale investments**

Available-for-sale investments are recognised and derecognised, on a trade date basis, when the Company becomes, or ceases to be, a party to the contractual provisions of the instrument; they are included in noncurrent assets unless management intends to dispose of the investments within 12 months of the balance sheet date.

Investments designated as available-for-sale investments are initially recorded at cost (except for non listed investments in the capital exchange market) and subsequently measured at fair value, Changes in fair value are reported as a separate component of equity, Upon elimination of investments, the previously reported as "cumulative changes in fair value" within equity is to be included in the consolidated income statement for the period, except for impairments loss, and for non listed investments is to be recorded at cost less impairment loss.

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

**Financial assets at fair value through profit or loss**

Investments at fair value through profit and loss are financial assets classified as either held for trading acquired for the purpose of selling in the near term or financial assets designated upon initial recognition at fair value through profit and loss.

Investments at fair value through profit and loss are initially recognized at fair value including the direct attributable expenses.

Investments at fair value through profit and loss are carried in the balance sheet at fair value with gains or losses recognized in the statement of income.

Gain or loss of investment is recognized at fair value through income statement.

**Financial assets held to maturity**

Investments in financial assets held to maturity with fixed or determinable payments that are quoted in an active market and the management has the intention and capability to hold it to maturity.

Up on the initial measurement of the financial assets, it will be recorded with its fair value including the direct costs,

The investments to be recorded at amortized cost by using the effective rate method carried, Gains or losses due to execute the assets or due to the impairment of the assets to be recognized in the statement of income,

Gain or loss of investment is recognized in profit or loss when the investments are derecognized or impaired impairment is recovered, as well as through the amortization process.

**Non-current assets held for sale**

Non-current assets held for sale is the non-current assets that is expected to regain its book value basically from sale agreement not from the use of those assets

Those assets are measured by the lower of the book value or the fair value after deducting the sales cost.

Non-current assets held for sale in case of impairment, the carrying amount to be adjusted by the value of this impairment and are charged to the statement of income

Impairment losses to be reversed in the period when occurred, and to the extent to the amount of book value that previously reduced unless the impairment loss was recognized in the previous years.

**Intangible assets**

Intangible assets are initially be recognized by cost

After the internal recognition, intangible assets are recorded by cost deducting the accumulated amortization and impairment losses.

Intangible assets represent the software's and related licenses and to be amortized with straight line basis methods over the estimated useful lives (5 years)

**Goodwill**

Goodwill represents the increase of the acquisition cost of the shares of the subsidiaries companies with the company share in the fair value of the net assets of those companies at the date of acquisition, Goodwill results from purchase subsidiaries is recorded as noncurrent assets and the goodwill results from purchase investments in associates recorded as investments in associates, at the end of each financial year the goodwill is tested for impairments and to be displayed at cost after deducting the impairment loss if exist.

**Work in progress**

Properties acquired, constructed or in the course of construction for sale are classified as work in progress, Unsold properties are stated at the lower of cost or net sales value, Properties in the course of development for sale are stated at cost, The cost of development properties includes the cost of land and other related expenditure which are capitalized as and when activities that are necessary to get the properties ready for sale are in progress, Net sales value represents the estimated selling price less costs to be incurred in selling the property.

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

---

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

**Employees Pension Plan**

The company participates in the social insurance system in accordance to the social insurance laws no, 79 for the year 1975 and its amended and the company share in the social insurance cost to be charged to the consolidated income statement according to the accrual basis.

**Provisions**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made, Provisions are reviewed at the balance sheet date and adjusted to reflect the current best estimate, Where the effect of the time value of money is material, The amount of a provision should be the present value of the expected expenditures required to settle the obligation.

**Legal reserve**

According to the Company's article of association, 5% of the net profits of the year are to be transferred to the legal reserve until this reserve reaches 50 % of the issued capital, the reserve is used upon a decision from the general assembly meeting based on the proposal of the board of directors.

**Revenue recognition**

Revenues results from the sale of units are recognized up on delivery of the units and the following terms are completed:

- A. The company transfers the main risks and rewards of ownership of the unit to the buyer
- B. The company has no longer continuing managerial involvement to the degree usually associated to the ownership, and has no longer effective control over the unit sold
- C. The amount of revenue can be measured reliably
- D. It is probable that the economic benefits associated to the transaction will flow to the company

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

---

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

E. The cost incurred or will be incurred in respect of the transaction can be measured reliably

The company uses full contract methods in recognize revenue for the all sold units, which required to capitalize the costs under work in progress account till the salable units are completed and delivered to the customer, then revenue is recognized and match it with the related operation cost.

The revenue results from the sale of villas is recognized in the income statement according to the revenue incurred, where the selling amount of the land of the villa will be totally recognized upon choosing the client the land that will be build on it, the selling amount of the building and related construction amount of the villas will be recorded by uses full contract methods in recognize revenue upon delivering the villas to the client.

Hotels revenue is recognized according to the company shares from the profit of the hotels.

Revenue from share profit recorded when there is right to receive it.

Share of results of the associates is recognised according to the equity methods and based on the latest approved financial statements of those associates.

Interest income of the financial instruments is recognised in the consolidated income statement by using effective interest rate methods except for the financial instruments classified as for trade or financial assets at fair value through profit or loss.

Dividend income from financial assets at fair value through profit or loss or available for sale is recorded when there is right to receive it

**Recording the operational cost**

Delivery minutes with the customers of the sellable units to the customers and revenue recognized of those units are the bases to record the operational cost related to those units which includes:

**The direct and indirect costs**

The construction cost of the sellable units according to the payment certificates of the contractors and suppliers that approved by the technical department of the company is recoded in work in progress account and the costs to be distributed to the sold units according to the following basis:

- Unit share of the land cost and units share of the land cost which was distributed as the land area of each units to the total area of the units in the project
- The unit share from the actual and estimated costs that distributed based on the contracts and invoices of each sector from units , villas and retails in each phase
- The units share from the indirect actual and estimated costs are distributed based on the direct cost of each sector in each phase

**Impairment of financial assets**

The Company regularly assesses whether there is an indication that an asset could be impaired.

The impairment loss of a financial assets that was measured with the amortized cost is to be measured as the different between the amortized cost of the book value and the present value of the projected cash flow by using the effective rate.

The impairment loss related to financial assets available for sale to be calculated by using the present fair value.

The remaining financial assets are estimated according to the groups level that have the same credit risk characterises.

Impairment loss is recognized in the consolidated income statement any subsequent reversal of an impairment loss is recognized in profit and loss, to the extent that the carrying value of the asset does not exceed its amortised cost at the reversal date.

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

If the available for sale asset is impaired, an amount comprising the difference between its cost and its fair value, less any impairment loss previously recognised in the consolidated income statement, is transferred from equity to consolidated income statement, Reversal in respect of equity instruments classified as available for sale are recognised directly in the equity.

A previously recognized impairment loss is reversed when there is a change in the recoverable amount of the asset to the extent of the previously recognized loss.

**Impairment of non-financial assets**

The company assesses at each reporting date whether there is an indication that an asset may be impaired, An asset's recoverable amount is higher of an asset's or cash – generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount, In assessing value in use, the estimated future cash flows are discounted to their present value using a pre –tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset, Impairment losses of continuing operations are recognised in the consolidated income statement in those expenses categories consistent with the function of impairment asset except for the property previously revaluated where the revaluation was taken to equity; In this case the impairment is also recognised in equity up to the amount of any previous revaluated.

**Treasury stocks**

The treasury shares (Company shares) are recorded with the cost and deducted from the owners' equity in the balance sheet, any profit or loss proceeds of disposing these treasury stocks are being recorded within the owners' equity.

**Accounting estimates**

The preparation of financial statements in accordance with Egyptian Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses during the financial years, Actual results could differ from these estimates.

Those estimates are reviewed on regularly basis and any differences in the estimates in the date of examining those estimates will affect only the period under examination and if those differences will affect the current period and the coming periods those differences to be recorded in the current and future periods.

**Income tax**

Income tax is calculated in accordance with the Egyptian tax law.

Deferred income tax is recognized using the liability method on temporary differences between the amount attributed to an asset or liability for tax purposes (tax base) and its carrying amount in the balance sheet (accounting base) using the applicable tax rate.

Deferred tax asset is recognized when it is probable that the asset can be utilized to reduce future taxable profits and the asset is reduced by the portion that will not create future benefit.

**Cash flow statement**

The cash flow statement is prepared using the indirect method, for the purpose of preparing the cash flow statements , the cash and cash equivalent include cash on hand , cash at bank , short term deposits , treasury bills with maturity date three months or less deducting the bank overdraft – if any.

**Borrowing**

Borrowings are initially recognized at the value of the consideration received, Amounts maturing within one year are classified as current liabilities, unless the Company has the right to postpone the settlement for a period exceeding twelve months after the balance sheet date, then the loan balance should be classified as long term liabilities.

Talaat Mostafa Group Holding Company "TMG Holding" S.A.E

---

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

30 June 2015

**Significant Accounting Policies (continue)**

**Borrowing costs**

Borrowing costs are recorded in the statement of income as financing expenses except the borrowing costs directly related to the acquisition, construction or production of a qualifying assets which is included as part of the cost of the asset, the borrowing cost amount that will be capitalized is determined based on the actual borrowing cost.

Suspend capitalisation of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

Cease capitalizing of the borrowing costs when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

**Expenses**

All expenses including operating expenses, general and administrative expenses and other expenses are recognized and charged to the statement of income in the financial year in which these expenses were incurred.

**Cash & cash equivalent**

For the purpose of preparing consolidated cash flow statement, cash and cash equivalent at banks and on hands , time deposits treasury bills maturity date within three months , checks under collection (banks checks and accepted checks) and banks overdraft that will be paid on demand that consider a part of the assets management system in the company

**Dividends**

Dividends recognized as liability in the period in which the company General Assembly meeting decided to distribute profits.

**Fair values**

For investments traded in an active market, fair value is determined by reference to quoted market bid prices, The fair value of interest-bearing items is estimated based on discounted cash flows using interest rates for items with similar terms and risk characteristics.

For unquoted equity investments, fair value is determined by reference to the market value of a similar investment or is based on the expected discounted cash flows.

**Segment information**

Segment is a major part of the group that produce products, services (Operational segment) or produce products; services in special economical environment (Geographical segment) and its profit and loss are deferent from the profit and loss of the other segments.

- According to the contract with the new urban communities' authority, Arab company for projects and urban development received 8,000 Fadden to build Madinaty project on several phases against 7% of the total built up area of the apartments' buildings of the land project.
- The company recognizes the cost of the land as an asset against the obligations due to the new urban communities' authority in accordance to the estimated cost calculated according to the expected delivered units related to the phase that work started in it.
- In 2010 a verdict was issued for the case raised against the new urban communities' authority to cancel the contract of selling the land of Madinaty, A committee was formed by a resolution from the prime minster to adjust the legal situation of the land of Madinaty , the committee reached to a decision to resell the land of Madinaty to Arab company for projects and urban development with a new contract dated 8 November 2010 and the in kind amount should not be less than LE 9,9 billion, based on that the value of the land of Madinaty recorded above , will be considered up on signing the final contract of the land and in accordance to the actual cost that will be bearded due to the execution of the new contract, the project includes six phases and it is required to have the approval of the new urban communities' authority before start any phase and therefore the cost of the first phase of LE 3 billion is recorded and the estimated cost of the remaining phases will be recorded up on the approval of the new urban communities' authority and start the execution of that phase.
- A verdict was issued to accept the requests of the case no, 15777 for the year 65 J to accept the form and the subject to recognize the contract dated 8/11/2010 between the new urban communities' authority and the Arab company for projects and urban development, and the court stated that the high committee for valuation in the general authority for governmental services to reevaluate the area that not yet booked and sold to the others.
- The Arab company for projects and urban development (one of subsidiaries) signed on 25 February 2015 the agreement with the New Urban Communities Authority (NUCA), and the adoption of the Cabinet to this agreement, Under this agreement, all disputes related to interpretation of mechanism, implementation, and determination of the 7% of the total built up area has been resolved, which present in-kind payment - the in kind amount should not be less than LE 9.979 Billion- due to NUCA for the value of Madinaty land based on the contract concluded with NUCA in 2010 (all terms and conditions remain the same and unchanged). The 7% is calculated at 3.195 million sqm of fully finished apartments that is currently under delivery and the remaining to be delivered over the life time of the project based on Madinaty land contract mentioned above.

#### 39-Important Events

Still Arab Republic of Egypt during the first quarter of 2011 events has significant impact on the economic sectors in general and led to significant reduction of economic activities

##### Tourism Sector

Those events still have significant impact on the tourism sectors in general and specially on the hotels occupancy percentage which led to significant reduction of hotels revenues starting from January 2011, this reduction in the hotels revenues due to the reduction in the occupancy percentages does not meet with similar reduction in the expenses due to the fixed cost that hotel bear despite of the occupancy percentage, It is therefore possible that the events referred to has a material impact on the financial statements for the coming periods, and still is not possible at present to expect the expected extend and the time period which is expected the end of those events and their effects.

##### Real Estate Sector

Still Arab Republic of Egypt during the first quarter of 2011 events has significant impact on the economic sectors in general, It is therefore possible that the events referred to has a material impact on assets, liabilities and redemption value as well as the results of business during the coming period, and still is not possible at present to quantify this influence on assets and liabilities included the financial statements present, where the impact size of the events referred to depends on the expected extend and the period time which is expected the end of those events and their effects.
